TRZ Staff:

Parents can feel confident that their child will enjoy a safe camp experience. Staff members are carefully selected for their experience and interest in working with children and low camper-to-staff ratios are embraced, allowing your child to receive the personal attention he or she deserves. As a licensed School Age Child Care Program all TRZ staff members undergo criminal background checks, a thorough reference check, fingerprinting and participate in state approved training. All staff members are CPR/First Aid certified.

TRZ KIDZ:

The goal of TRZ programming is to provide a supportive environment in which children can grow and develop.

Children have a right:

- *To be respected.
- *To have a safe and reliable environment.
- *To express their creativity.
- *To express emotions in an appropriate manner.
- *To have staff members who care about and enjoy them.

Children Must:

- *Respect the rights of self and others.
- *Accept limits and rules.
- *Understand that others have wants and needs.
- *Use manners and courtesy as general behavior.
- *Listen and be attentive in group situations.
- *Accept responsibility for one's actions.
- *Listen and follow directions...
- *Follow all safety rules
- *Be considerate of everyone and take care of personal belongings.
- *Ask permission for leaving group area.
- *HAVE FUN!!!

BEHAVIOR

A behavior problem is disruptive behavior that affects the group as a whole. There is ZERO tolerance for physical violence and bullying behavior. The safety and well-being of each child in our care is our number one priority. When children are having difficulty following our rules, we will use the following disciplinary steps:

- *Verbal explanation to child that their behavior is inappropriate.
- *Second warning.
- *Director will speak with child.
- *Staff/Director will speak with the parents and discuss the child's behavior.
- *TRZ reserves the right to suspend from the program any child who consistently displays inappropriate behavior, is continually disruptive, creating problems for other children, or who is physically aggressive.

{IF SUSPENSION of a child is related to safety concerns for program participants or staff; immediate suspension may occur and the program will not be required to follow all the steps listed above.}

BULLYING POLICY

TRZ is committed to providing a caring, friendly, and safe environment for children in our care, so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable. That is, any use of aggression with the intention of hurting another person (including, but not limited to, physical, emotional, verbal, sexual) is not tolerated. Serious incidents of targeted aggression are documented by TRZ staff, and ongoing monitoring of the situation will occur. When attempts to change unacceptable behavior are unsuccessful, the consequences of repeated bullying may include suspension and/or termination from the program.

TRZ Parents:

Parent's play the MOST significant role in their child's growth and development. The Relief Zone is PROUD to provide a support system that will reflect a family's values and culture. TRZ encourages parent participation. Open and friendly communication is essential. Parent concerns should be immediately directed to the Children's Program Director. Details surrounding the concern will be reviewed, solutions will be discussed and an action plan will be implemented.

A Parent meeting will be held on Thursday,
May 31st @ 7pm @ The Relief Zone.

Please make every effort to have at least one parent present at the meeting.
