*CPR/AED/First Aid

*Child Development

*Health and Safety

*Child Abuse Prevention and Reporting

*Nutrition

*Communication

Cardinal Care staff members work as a team to plan and create an environment that will be safe, creative, and fun for each child. The program Director is always willing to talk with parents or children about any concerns.

Cardinal Care in the school:

"Gail N. Chapman Elementary School has four expectations that we expect everyone in our school to abide by. We call these expectations the Honor Code.

** Respect everyone and everything, Be responsible, Be safe, Be honest at all times**

The most important piece of the program is teaching the expectations. As with any job, position, activity or place, one needs to know what is expected within that setting in order to be successful. If students know what is expected from every classroom and/or area in the school because it is the same no matter where she or he goes, they will have no question of how they are to behave."

Cardinal Care Parents:

Parents play the MOST significant role in their child's growth and development. The Relief Zone is PROUD to provide a support system that will reflect a family's values and culture. TRZ encourages parent participation. Open and friendly communication is essential.

Parent concerns should be immediately directed to the Program Director. Details surrounding the concern will be reviewed, solutions will be discussed and an action plan will be implemented.

Communication is the best tool to guarantee your child's success...

Cardinal Care KIDZ:

The goal of TRZ programming is to provide a supportive environment in which children can grow and develop.

Children have a right to:

- * To be respected.
- * To have a safe and reliable environment.
- * To express their creativity.
- * To express emotions in an appropriate manner.
- * To have staff members who care about and enjoy them.

Children Must:

- * Respect the rights of self and others.
(Keeping hands, feet and objects to self)
- * Accept limits and rules.
- * Understand that others have wants and needs. Use manners and courtesy as general behavior.
- * Listen and be attentive in group situations.
- * Use Appropriate language at all times with all students and adults.
- * Accept responsibility for one's actions.
- * Listen and follow directions the first time they are given...
{Follow all safety rules (café, gym, halls, outdoors)}
- * Be considerate of everyone and take care of stuff.
- * Ask permission for leaving group area.
- * BE HONEST at all times
- * HAVE FUN!!!

BEHAVIOR Management

A behavior problem is disruptive behavior and affects the group as a whole. There is ZERO tolerance for physical violence and bullying behaviors. The safety and well-being of each child in our care is our number one priority. When children are having difficulty following our rules, we will use the following disciplinary steps:

- * Verbal explanation to child that their behavior is inappropriate.
- * Second warning.
- * Program Director will speak with child.
- * Staff will speak with the parents and discuss the child's behavior.
 - * TRZ Cardinal Care reserves the right to suspend from the program any child who consistently displays inappropriate behavior, is continually disruptive, creating problems for other children, or who is physically aggressive.

{Immediate Suspension may occur and the program will not be required to follow all the steps listed above IF behavior is related to safety concerns for program participants or staff}

BULLYING POLICY

Cardinal Care is committed to providing a caring, friendly, and safe environment for children in our care, so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable. That is, any use of aggression with the intention of hurting another person (including, but not limited to, physical, emotional, verbal, sexual) is not tolerated. Serious incidents of targeted aggression are documented by Cardinal Care staff, and ongoing monitoring of the situation will occur. When attempts to change unacceptable behavior are unsuccessful, the consequences of repeated bullying may include suspension and/or termination from the program.

Up to date health forms must be filed with Cardinal Care. A copy of health forms will be kept on file with Cardinal Care director. Parents are responsible for informing staff of any changes in address and phone numbers. Health form MUST be received prior to child attendance in programs.

- Sign-out upon departure from the facility indicating in writing the time.

**Parents may visit the program at any time; however, at this time we are trying to eliminate any unnecessary entry to programming to keep children and staff safe and healthy.*

Information Notification:

The best way to notify you (the parents) of activities, alerts, announcements and emergencies is by a system called Remind. Remind is a way to reach everyone and to communicate faster. It's an easy and free program to sign up for. Information and directions are included with this packet.

Texts, emails, and phone calls will also be used to reach you if the need arises. Please be sure you keep all information on your child(ren)'s registration form up to date!

Let us know how we are doing:

Evaluating the program and staff is a key way to give us constructive criticism.

We are always looking for ways to better our program and ourselves for the success of the children. A suggestion box will be located on site and a survey will be conducted a couple times a year. You may also contact the Program Director personally.

*If you suspect child abuse and maltreatment, please contact **Child Protective Services***

Child Protective Services (CPS) is responsible for investigations of abuse and/or maltreatment of children under the age of 18. A child is only removed where there is imminent risk and there is no relative with whom the child can be placed. As needed, CPS caseworkers seek intervention from Family Court for Orders of Protection, court-ordered services for families, and/or authorization to place a child in foster care. Reports of child abuse or neglect are made by calling the State Central Registry at 1-800-342-3720.
