## BULLYING POLICY

TRZ is committed to providing a caring, friendly, and safe environment for children in our care, so that they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable. That is, any use of aggression with the intention of hurting another person (including, but not limited to, physical, emotional, verbal, sexual) is not tolerated. Serious incidents of targeted aggression are documented by TRZ staff, and ongoing monitoring of the situation will occur. When attempts to change unacceptable behavior are unsuccessful, the consequences of repeated bullying may include suspension and/or termination from the program.

## BEHAVIOR

A behavior problem is disruptive behavior and affects the group as a whole. There is ZERO tolerance for physical violence and bullying behaviors. The safety and well-being of each child in our care is our number one priority. When children are having difficulty following our rules, we will use the following disciplinary steps:

- \*Verbal explanation to child that their behavior is inappropriate.
- \*Second warning.
- \*Site Director will speak with child.
- \*Staff will speak with the parents and discuss the child's behavior.
- \*TRZ reserves the right to suspend from the program any child who consistently displays inappropriate behavior, is continually disruptive, creating problems for other children, or who is physically aggressive.

*{IF SUSPENSION of a child is related to safety concerns for program participants or staff; immediate suspension may occur and the program will not be required to follow all the steps listed above.}*

## TRZ PARENTS:

Parent's play the MOST significant role in their child's growth and development. The Relief Zone is PROUD to provide a support system that will reflect a family's values and culture. TRZ encourages parent participation. Open and friendly communication is essential.

Parent concerns should be immediately directed to the Site Director. Details surrounding the concern will be reviewed, solutions will be discussed and an action plan will be implemented.

**Communication is the best tool to guarantee your child's happiness...**

## HEALTH FORMS:

Up to date health forms must be filed with TRZ. A copy of health forms will be kept on file at the TRZ program. Parents are responsible for informing TRZ staff of any changes in address and phone numbers. Health form MUST be received prior to child's attendance in programs.
